The Pipeline, the newsletter for the South Central Texas Area of Cocaine Anonymous is now accepting submissions for the winter edition

If you have experience, strength and hope that you would like to share on one of the following three topics please email your submissions to the address below:

~~~~

1 – Came to believe that a power greater than ourselves could restore us to sanity…what does it mean to come to believe?

2 – It has been said that our job is to be of service God and to those about us today…how are you of service in sobriety?

3 – With Valentine's Day just around the corner…relationships can be tough in sobriety. What have you done to grow, change and be a better person in all your relationships – not just the romantic ones?"

~~~~

Also if you have announcements, new meeting information, event details or other material that you would like to see in the newsletter please email it and we will try to get it included.

If you don't have access to a computer and would still like to contribute, you can turn in handwritten submissions to your local area rep or GSR.

Please note this is a quarterly newsletter so time your submissions appropriately
